Here's a selection of new releases that demonstrates what Argentina does best: lots of vivid, ripe fruit flavors with rich but fresh finishes, all with lots of bang for the buck.

ACHAVAL-FERRER Malbec Mendoza 2007 Score: 91 / \$28

Rich, with delicious raspberry and macerated currant fruit enlivened by a strong violet aroma and piercing mineral streak long, dark, juicy finish is very vivid and racy.

Drink now through 2009, 4300 cases imported. - J.M.
